Module 5: Working Environments

Delivered by

## Module 5 – Working Environments

### Module Overview

#### Module 5: Working Environments

**Module Overview:** This is a guided resource to prepare students for the expectations of a workplace environment. By practising their research skills and making links between the behaviour expected both of school and in the workplace, students should feel more comfortable when facing a new environment.

##### Employer Outcomes:

- Encourage students to make links in behaviours expected at both school and work.

##### Student Outcomes:

- Practice research skills.
- Build confidence in expressing individual needs.

##### Educator Outcomes:

- Empower students to be comfortable expressing their needs.
- Reassure students of similarities between school and work environments.

##### Suggested optimal duration:

**Activity 1:** 30 minutes.

**Activity 2:** 30 minutes.

**Activity 3:** 70 minutes.

**Activity 4:** 10 minutes.

##### Location:

School/College
