## Module 7 – My Work Experience

### Employer Feedback

---

In preparation for their work experience, your student has set goals for themselves that they wanted to achieve whilst with you. Throughout the year they have been working on their skills development and stepping out of their comfort zone. Please give your feedback in a constructive way.

When giving feedback, consider whether your student has actively tried to work towards their goals and include comments on their progression, commitment, and achievements.

Goal 1:

Goal 2:

Goal 3:

How has your student demonstrated their communication skills?

How has your student demonstrated their teamwork skills?

Has your student been punctual and well organised?

Do you have any other comments?
