

T LEVEL EMPLOYER SUPPORT PACKAGE

**Support future talent.
Strengthen your workforce.
Deliver high-quality T Level placements.**

We offer a range of **fully funded T Level support** to help employers successfully plan and deliver T Level industry placements.

Funded bespoke hands-on support

Get tailored support from an **industry placement specialist** to explore what works for your organisation and tackle specific challenges.

Types of support:

- One-to-one consultation
- Group sessions with colleagues
- On-site presentations for your team
- Bespoke webinars tailored to your organisations needs

We'll help you:

- Understand what's involved in hosting placements
- Explore practical options
- Overcome challenges

Employer engagement & support network

Join a monthly drop-in session, facilitated by T Level experts:

- Connect with other employers
- Share experiences/best practice
- Discuss challenges
- Find solutions

Email employer@strategicdevelopmentnetwork.co.uk for details.

Supportive materials & guidance

- Practical tools and resources
- Employer case studies
- Workshops and webinars

Events & webinars

We host **regular virtual and face-to-face events** throughout the year. Access the full events schedule online.

Event topics include:

- T Levels overview
- Industry placement delivery approaches
- Employer best practice
- Legal, finance and safeguarding

We consider:

- Different T Level routes
- Organisation size
- Industry
- Your role in industry placements

Build future workforce talent. Gain practical support at every stage. Learn from other employers. Strengthen your organisation's skills pipeline.
