School projects

Employers can support students with projects both in and out the classroom. This can be done by co-teaching, providing guidance to staff or volunteering a small amount of time

Assembly/presentations

These can be delivered to either a full year group or smaller focus groups to introduce industry sectors and upcoming vacancies/apprenticeships

Voluntary work

Supporting students to participate in local community projects

Work experience placements

Would you like to offer students a short term work experience placement?

Employability events

Mock interviews, careers fairs, speed networking, employability workshops, industry workshops, enterprise challenges

Funded by

European Union

European
Social Fund
