The screenshot displays the 'Apprenticeship search' interface. At the top, there is a navigation bar with a home icon, the text 'Apprenticeship search', and a link to 'Subscribe to our Standards RSS Feed'. Below this is a blue header with the text 'SEARCH THE APPRENTICESHIPS'. The main content area is divided into several sections: 'Filter the results' on the left, 'Sort:' options in the middle, and a list of apprenticeship standards on the right. A large QR code is positioned on the right side of the page. A pink callout box at the bottom of the screenshot contains the website URL 'instituteforapprenticeships.org'. The search results are filtered to show 364 standards, with the first two visible being 'Doctor (Degree)' and 'Small vessel chief engineer'.

Apprentice Ready – Get An Advisor

Replacing the Early connect pilot which has been delivered in partnership between the Department for Education (DfE) and UCAS.

Their aim is to support more young people onto apprenticeships and make it easier for employers to find apprentices.

To date a variety of employers have pledged over 5,000 apprenticeship vacancies in the three pilot regions.

What Local Support Is Available?

For students seeking an apprenticeship and who need some extra support, we will offer an enhanced support package to students, which will include:

Linking with employers in the area, helping them to broaden their search to consider a wider range of vacancies. Support with applications, interviews and employability skills.

Additional support where individuals are not initially successful.

Students registering in the Northeast will receive a weekly bulletin highlighting local and national webinars and events aimed at apprenticeships

Case studies hints and tips

Access to an all-in-one digital apprenticeship toolkit which can be worked through independently

Apprentice Ready – Get An Advisor

Get an Apprenticeship Adviser

As part of this service we have launched a [new free service](#) to help year 13 students find, apply for and secure an apprenticeship which also reduces the number of steps needed to signing up to Smart Alerts.

This is an opportunity to access an apprenticeship adviser, who can help your students explore apprenticeships in more detail.
