

Unlocking Apprenticeship Potential: A Guide for North East Schools and Colleges

Schools and colleges can struggle to navigate the apprenticeship landscape and understand the services available for their students. Research found that only 4% of Y12s, from a sample of 7500 learners in the region, recorded apprenticeships as an intended destination in the North East Combined Authority area.*

So, we've created this simple overview of the regionally funded organisations and FE providers that offer careers programme support. It includes the engaging activities they offer to help promote apprenticeships as a visible and viable progression pathway.

FutureMe

The FutureMe Programme supports learners to understand and make informed decisions about higher education.

Audience(s): Years 9-11 and Post-16

Delivery: Face to face

Activities on offer:

- In-person assembly sessions and interactive workshops
- HE campus visits
- Resilience workshops
- Subject-specific masterclasses
- Careers insight events

Contact: Email info@futureme.ac.uk to find out more.

North East Apprenticeship Ambassador Network (NEAAN)

NEAAN is a network of North East apprentice employers and both current and past apprentices who share their stories to inspire others.

Audience(s): Years 7, 8, 9 10,11, Post-16 , SEND and Alternate Provision

Delivery: Face to face / Virtual

Activities on offer:

- Apprenticeship awareness presentations – full year assemblies, class workshops, careers fairs, parent sessions
- 1:1 meetings
- Support with off-site visits
- Work experience

Contact: Visit the [NEAAN website](https://www.neaan.org.uk) or email Hello@NEAAN.org.uk.

DWP

The DWP offer employability sessions to young people and support them in the move from education into the World of Work.

Audience(s): Years 7, 8, 9 10,11, Post-16, SEND and Alternate Provision

Delivery: Face to face / Virtual

Activities on offer:

- Apprenticeship awareness presentations – full year assemblies, class workshops, careers fairs, parent sessions
- 1:1 apprenticeship advice sessions
