

Challenge 2: Transport Manager

The role of the manager is to oversee different members of staff and make sure they are doing their job correctly. Match the job title to the job description.

Train driver

I make sure the railway equipment is working correctly and fix any problems with the track.

Signaller

I am in charge of the train engine and making sure the train reaches its destination on time.

Conductor

I design the clothes that all of the people that work in the rail industry wear.

Rail Civil Engineer

I make sure that train drivers know when it is safe to move the trains using different signals that they can see along the track.

Catering assistant

I check that everyone is on the train safely, and tell the driver when to set off, often by blowing a loud whistle.

Uniform designer

I serve people food and drinks while they are on the train. I always have to be kind and friendly.
